Thank you for choosing the Ben Nevis Inn

Our building is over 200 years old, and used to serve as a dairy barn for Achintee Farm. Before it was transformed into a restaurant, we are also told that the building used to provide some much needed shelter to those that descended the Ben in particularly bad conditions!

We pride ourselves on serving great, wholesome food and strive to use local producers, brewers and suppliers wherever we can.

From late March to October, we have a live local band playing 9pm – 11pm every Tuesday!
